The team will send you an up-to-date menu before your event to make your selection. Please let us know about any allergies or dietary requirements ahead of your event. We have gluten-free bases, however, due to the nature of our kitchen we cannot guarantee there will not be any cross contamination, so if there's a severe allergy we recommend they don't eat with us and the individual is welcome to bring their own.

You must get written consent before you bring any food in to the venue such as a cake. You cannot bring anything containing nuts in to the venue. Outside catering is not permitted.

DRINK OPTIONS

If you would like a private bar for your wedding, you can hire the Shuffle Shack which is situated directly next to the games room.

Alternatively, please see the drinks package section below which will give you an idea of what we can offer.

OPTION 1 - ARRIVAL DRINKS

We can set up an arrival drinks station in the games room, so all your guests get arrival drinks. We will price these depending on the number of guests you have this can include bottled beer, prosecco, wine and soft drinks.

Following this further drinks would be served at the main bar or Shuffle Shack bar.

OPTION 2 - DRINKS TOKENS

Drinks tokens are available to buy - they are £5 each and can be redeemed against, house lager, house wine (175ml), and house spirit mixer. For cocktails, 2 tokens are required.

OPTION 3 - WRISTBANDS

If you're not sure how many drinks vouchers to use and would like the bar tab to be more flexible, then wristbands would be a good option. When your guests show their wristband, it'll go on a tab that will be settled at the end of the event.
